But when it comes to the Hyksos and all things Egyptian, even for me, that is the zenith of all things Islamic. So I was quite excited to read this book. It has a very different mood from other books on ancient Egypt but is rooted in a modern, scientific analysis. I was not as enthused with the study of scripture for this book. I don't think I am going to try and read any more of Garstang's books. Still, if you want to read a very clear and detailed account of the Hyksos and the Egyptian revolution, you can't go wrong. It is a very, very well-written book. SYNOPSIS: Those who know me know I love all things Islamic. But when it comes to the Hyksos and all things Egyptian, even for me, that is the zenith of all things Islamic. So I was quite excited to read this book. It has a very different mood from other books on ancient Egypt but is rooted in a modern, scientific analysis. I was not as enthused with the study of scripture for this book.
