NPC alliance system: In the far future, the world where you play is a chaotic mess, and the civilization as we know it has disappeared. Humanity slowly adapts to the "Mankind". Conquers the ever-changing landscape, and learns to live a fair and peaceful life. However, the order of this day is not a fair one. A feudal system has emerged, and the "Horde" of the "Servants" dominated by the "Elden Lord". Classic Action RPG: The line between action and RPG has always been blurred, and in the field of classic action RPG there are some games where the player makes direct attacks on enemies. Adventure: It is the classic RPG's basic game play. The player will explore the map and fight enemies. The RPG of today is not called "RPG" any longer. "Adventure" is also a good way of describing the RPG element of a game. It is the classic RPG's basic game play. The player will explore the map and fight enemies. The RPG of today
