We're also the largest skiing nation in Europe, with 200,000 registered UK skiers by SOFA's estimates, and growing! The weather here in the UK is lovely at the moment, with sunshine and no snow for the last 10 weeks. And there's a new ski season on the horizon every year thanks to the New Forest! We're always looking for inspiration from our skiers, so whether you're addicted to skiing a demo pole everyday, or you're a fat, slow beginner who just can't master the landing swing, take a look at what others are doing and maybe we can help... Photographs Of Note A big welcome to all new members of our site. While our core membership is British, there are plenty of members from across the world.
