The Elden Ring, a legendary world where the forces of good and evil are balanced, with the former embodied in the noble and the latter in the demon lord. Sorrow-ridden Vale is the stronghold of evil and the instigator of countless wars. Within Vale, the demonic lords have stolen from the other lords. The races are divided, and peace is dying. In this situation, the king of the Elden Ring, Dusia, appears and seeks to restore Vale's freedom. And a new hero will rise, a character blessed with the power of the Elden Ring. An action RPG. In the main story, you will fight alongside allies, use magic to battle foes, and battle with friends in a single-player game, party-based multiplayer, and multiplayer over the cloud. A long-awaited fantasy RPG that is full of charm, character, and a compelling story that sets it apart from other RPGs. Features

1. Elemental Weapons and Magic Create your own class and choose from four different types of weapons and magic and learn to use them. Equip an armor that boosts your attack power, and develop your own special attack known as the "Hitokiri" to inflict specific damage on enemies. Play with friends in single player or competitive multiplayer.
2. Three-Dimensions The 3D battles are satisfying and emphasize different elements and aspects of the game. Choose from four different classes, move your characters freely in three-dimensional battles, and aim for the enemy from three different angles. Use the "Aesthetic Attacks" to synchronize attacks with the onscreen movements of the enemy, or learn to use various evasion techniques to evade enemy attacks. Play with up to three other players in both online and local multiplayer modes.
3. An Epic Story with Multiple Ending An epic story with multiple endings depending on the choices of the players. Experience what you did not foresee, and enjoy a wide array of events that depend on your choices.
4. Customizable Character Creation Equip a variety of gear and a variety of weapons and develop your own character. Choose from four classes and customize your own skills. The skills you choose

5/5 "I loved this game from start to finish and it took me a while to stop playing. When I started playing I wanted to see what it was like and I liked the story from the beginning. If you like or even if you love fantasy I really recommend this game, I hope more games are made like this." 5/5 "Every time I play a RPG or any other game I lose myself into the stories and this game is no exception. The art is really beautiful and the music changes with the situation of each battle." 5/5 "This game is great because it has well put together scenarios that you can explore and give your imagination some direction. While I was playing this game I felt like I was actually on a mission and that made the game much more interesting." 5/5 "The real substance of this game lies with its artwork and music. The world of Westeros can easily lend to a deadly mood and when the surrounding music and background art are mixed with a tense storyline and killer battles, this is a game that's hard to put down." - "ELDEN RING game score: This is a score which I can easily see myself listening to while im playing the game." - "ELDEN RING game rating: Highly recommended" 4.5/5 "I was really interested in what game company was going to make a game in the series, "Westeros" is a simple little game, but some unique features and ideas keep the game interesting." - "ELDEN RING game score: While the game is simple, the fact that the developers put a lot of care into it makes it really enjoyable to play. I can't help but feel that I'm playing something that is worth the time and money to play. The piece de resistance of this game is the plethora of things to explore in the game world." - "ELDEN RING game rating: I really enjoy this game, and I am thankful to the developer for putting a lot of time and care into the game, "Westeros". I really would recommend this game to everyone and hope it will be a success in the future." 4/5 "The game was a lot of fun, but the storyline was a bit confusing. While the gameplay was pretty good, it was a little too short to really get deep into it." - "ELDEN RING game score: I really enjoyed the bff6bb2d33

15:15:22 +0000Jens00715564The following  
update addresses some of the things that  
we're used to in Skyrim and Dawnguard,  
and adds live upon the Nexus to the mod.  
We've also improved stability by fixing  
several bugs. Live Upon the Nexus will  
now automatically download the mods  
you're missing to maintain compatibility,  
and you now receive an error message if  
you try to load the game without the  
required mods. In addition, you can now  
change your savegames to any location  
using the /datacompare function. To allow  
players to better recognize each other in  
game, we now add a status bar to  
conversations. This allows your friend to

**Conversations mod. It is now possible to override the stamina cost of casting spells if your stamina is greater than 0. This is mainly meant to benefit those of you who have no idea how to cast spells, like I used to be. Please report any bugs that you encounter by using the bug report function in the System Info mod.**

**- Modified the War - Supporting characters: \* Dawnguard: Dawnguard is now a complete and fully playable Adventure Mod. \* Hearthfire: Hearthfire can now be placed on a building, which makes it a lot more useful when using it for your own house. \* Dawnguard doesn't care about Morrowind anymore. If you try to use Dawnguard, you receive the following error message:**

**"The Loading Screen tells you that here, you need to download 1.28 GB of new data to continue playing the game. \* The Morrowind Forger has been fixed and now allows you to**
