(Portable)..The head of the UN agency that drafted the 2015 global compact on migration,IOM, had some harsh words for national governments who do not protect their borders from refugees and undocumented migrants and who do not take responsibility for the people living on the move. IOM is the UN migration agency and an important player in the global migration space, under the United Nations. A few months ago, the Global Compact for Safe, Orderly and Regular Migration (GCM) was agreed to in Marrakesh, Morocco, by the world's countries, including more than 100 that are not affected by large migratory flows. But, still, states have a long way to go before they comply with the global compact. The GCM is meant to be a set of rules to ensure that governments
